MODULAR TABLE TOP DISPLAY APPARATUS  
SUPPLIMENTAL AMENDMENT DATED 8 FEBRUARY 2006

Application No.: 10,673,432  
Filed: 9/30/2003  
Applicant: FLAGG, RODGER H.  
Examiner: Cassandra Davis  
Art Unit: 3611  
Title: MODULAR TABLE TOP DISPLAY APPARATUS

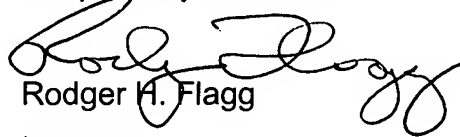

This supplimental amendment is in response to a Notice of Allowance mailed 01/30/2006, wherein claims 1, 3-16 were allowed. Office action dated January 24, 2005 allowed claims 12-20. Claims 17-20 appear to be accidentally dropped. My amendment of November 1, 2005 (17 pages) copy enclosed, included claims 17-20 as (PREVIOUSLY PRESENTED) in pages 12-15. The last line on page 16 of this amendment states:

"The examiner has noted that claims 12-20 (Original) are allowable."

Therefore, please reinstate claims 17-20 which were inadvertantly dropped in the Notice of Allowance.

Rodger Flagg may be reached at (703) 535-5455 from 10:00 am to noon, and from 2:00 pm until 5:00 pm, Monday through Thursday, should any further information be required to reinstate claims 17-20. To the best of my understanding the allowed claims should be 1, 3-20.

Respectfully submitted,

  
Rodger H. Flagg  
Inventor
